

# DUBAAKO - AKRADINBOSOM

New 6-Week Online Courses - Parts 1 and 2

Akan Abosom of the Solar, Lunar and Planetary Bodies Governing the 7-Day Week and the Eleven Body Systems

DUBAAKO means 'eleven' in Akan. Our DUBAAKO courses examine the nature and function of the Eleven Abosom (Deities) who animate the solar, lunar and planetary bodies who govern the 7-Day week, the Okra/Okraa, the Ka/Kait - The Soul - and thus the akraadin (Soul-names) in Akan culture. They also govern various aspects of Asaase (Earth) and the eleven major body-systems within us as shown above. These Akraadinbosom (Akraadin Abosom) exist in Khanit and Kamit (Nubia and Egypt) by the same names. We also address their manifestation as Orisha, Vodou, Arusi and more in related Ancestral cultures of Yoruba, Ewe, Igbo and others. Moreover, we address their manifestation in the HOODOO tradition - Akan Ancestral Religion in North America. Our AKRADINBOSOM books are the basis of instruction in DUBAAKO.
