

MEDUT NTORO

Divine Inscription

Reading and Writing the Language and Hieroglyphs of Kamit - Part 2 6-week online course

Our Ancestral language of **Kamit** (Egypt) and its related script - **medut ntoro** (mdw ntr) - was carried in the blood-circles of **Afurakani/Afuraitkaitnit (African~Black)** people for tens of thousands of years to the present day in various regions of West, Central, South and North as well as East **Afuraka/Afuraitkait (Africa)**. Examination of our sacred language and script and its contemporary expressions provides insight into our cosmology, the nature of the **Ntorou/Ntorotu** (Deities), our **Aakhu/Aakhutu** (Ancestral Spirits) and our function in Creation as **Afurakani/Afuraitkaitnit (African~Black)** people. Such insight informs our spiritual and communal development. [The live or archived Part 1 is pre-requisite for Part 2 of this course.](#)
