@10am

Our Obaatanssem - Afuraitkaitnit (Afrikan~Black) Womanhood 13-week training intensive is for serious and focused Afuraitkaitnit (Afrikan~Black) women and also young adults 17 and over. We will examine our book **PTAH SASETEM** in the first seven

sessions. We will then examine and incorporate the principal values of our book

OBAATAN - Afuraitkaitnit Womanhood in the last seven sessions. In the process we will be examining **fourteen** of our related books. We will also study the published works of those within **ODWIRAMANFO MMAATAN**, the collective of women who informed the book **OBAATAN**. This will assist in grounding the principles of **Obaatanssem – Womanhood**. When grounded in these principles, **Mmaatan (Women)** can participate in **AMANNE – Nationism** girded in our Ancestral Religious values. With this information we are able to create and sustain a balanced **Afurakani/Afuraitkaitnit (Afrikan~Black) Oman (Nation)**.

Facilitated by **Amma Asenie**, Instructor within **ODWIRAMAN**
