*Below is the transcript from our **MAAKHERU** audio webcast entitled:*

### **Breaking the Control Over the Afurakani/Afuraitkaitnit Adwene (African Mind): niggas, nationalists and obama**

“...Mikyia mo Afurakanu/Afuraitkaitnut. Nne ye Maakheruda. Me din de Kwesi Ra Nehem Ptah Akhan.

Greetings to all Afurakanu/Afuraitkaitnut, meaning Africans~Black People. Today is Maakheru day. My name is Kwesi Ra Nehem Ptah Akhan.

In the depths of enslavement there are those who recognize the necessity to liberate and the path to liberation. We have taken notice of the failed paths and strategies and the basis of their failure. We are thus engaged in the process of liberation, taking the proper paths and exposing and eliminating the pseudo-paths, pseudo-beliefs and pseudo-strategies which are nothing but paths of re-entry into enslavement for our posterity if we were to be neglectful.

The **adwene**, the mind, of the enslaved can only embrace enslavement and propound rationales for the perpetuation of enslavement. **Afurakanu/Afuraitkaitnut** (Africans~Black People) born under the cultural and political domination of the **akyiwadefo**, the spirits of disorder, the whites and their offspring, our enemies, are born into a structure which grooms us to accept enslavement and domination as a perverse ordinance of life. Until we make the conscious, deliberate effort to reject all of the whites and their offspring, ALL of them, their culture and their pseudo/false religions, our thoughts, intentions and actions will manifest an enslaved adwene, an enslaved mind which further shackles the sunsum, the spirit and its inherent motive power which actually carries the force and consciousness to liberate us.

The absence of a deliberate act of mental and spiritual purification causes our people to succumb to the idiotic belief that engaging the electoral process of our absolute enemies, the whites and their offspring, is an act of intelligence on some level. It is time for us to liberate ourselves from this idiotic notion.

On the plantations of enslavement, the so-called master comes out of the house and onto the field to congregate the so-called slaves. The so-called master commands them to gather together for an important announcement. This akyiwadefo, this spirit of disorder, this perverse criminal, our white enemy, tells us that he has come to realize that we are not happy on the plantations, that some of us have even considered escape,

revolt, establishing independent settlements of our own and will no longer submit to being raped, our children raped, our children molested, will no longer submit to being murdered, maimed, tortured, forced to work to death, dismembered, poisoned, branded, having our babies murdered, maimed and tortured in front of us, having our babies, wives, husbands, brothers, sisters, cousins, friends sold off to other plantations—having our genitals cut off, feet cut off, hands cut off, breasts cut off, in front of our wives, husbands, children, families, having our unborn babies cut out of our women’s wombs and stomped to death by the white slaver for all of us to see. Because the white enemy, the so-called slavemaster, realizes that some of us are desirous of freedom and are preparing for it at any cost he states that he has come up with the best, most viable, solution to make us whole. He declares that he’s going to hold an election. He declares that the enslaved, on the plantation, will have the opportunity to vote for who will be the next so-called slavemaster. This should solve our problems. This should fulfill our hopes. This will bring change to our lives. We need not seek to escape the plantation. We need not seek to kill the slavemaster, his family and his staff and burn down the plantation. This is not necessary because the answer to our problems, the answer to slavery is a new slavemaster. A slavemaster that we choose. And the current so-called slavemaster will tell us who we can choose. We now have a golden opportunity. An opportunity that has never been afforded any slaves in the history of america. The slavemaster says that we can either choose to vote for his wife, his mulatto son or his brother. **His** wife. **His** son. **His** brother. These are the “choices”, the choices that he, the slavemaster, has afforded us.

The intelligent Afurakanu/Afuraitkaitnut will leave the meeting more resolved than ever to carry out their plans to liberate themselves and kill the so-called slavemaster and all of his relatives and staff. **The dumb-ass niggas will leave the meeting and prepare to cast a ballot, on the plantation, for “change”.**

The insanity of the “proposition” of the slavemaster is apparent on every level. The fact that he tells the enslaved that he has come up with a solution to their problems is a lie. He only seeks to keep them perpetually enslaved. The fact that he proposes an election is a lie. **No slavemaster will place the destruction of the entire slave-system in the hands of the enslaved to be affected simply by casting a ballot.** This same slavemaster who would rather torture, maim, murder and rape you than allow you to escape the plantation—and if you do escape, he will send a search party out to capture you, return you and punish you severely. He will never offer you the chance to participate in an election, **unless he has already programmed you to “elect” the one he has chosen for you.** The fact that he claims to offer a solution that would serve to fulfill our hopes and bring change is a lie. The only hopes that sensible Afurakanu/Afuraitkaitnut, intelligent Afurakanu/Afuraitkaitnut on the plantation have is that they will be able to kill the so-called slavemaster, kill his wife, kill his children, kill his staff, burn down the plantation and establish a nation of their own, 100% Afurakani/Afuraitkaitnit, free and independent, self-governing and secure in its sovereignty. These are the only intelligent hopes that the enslaved have for change. Any hopes or desires beyond these, are the manufactured perverse hopes and desires programmed into the adwene, the mind, of an enslaved spirit, manufactured and programmed by the slavemaster for the slave. The fact that the so-called slavemaster claims that he is giving us a choice is again a lie. **Choices are not given to free people. Choices are created and taken by free people.** The fact that the so-called slavemaster has given, as your choice, his own wife, his own mulatto son and his own brother demonstrates that his only desire is for you to have a new slavemaster. The wife of the slavemaster is his partner in your enslavement. The brother of the slavemaster is his partner in your enslavement. The mulatto son of the slavemaster is his partner in your enslavement. This has always been the case. It will always be the case until we make them extinct.

The intelligent Afurakanu/Afuraitkaitnut on the plantation recognize the purpose of the so-called election—the perpetuation of slavery with the full pseudo-conscious participation of the enslaved now malfunctioning as agents of their own destruction. The slave-minded Afurakanu/Afuraitkaitnut are fools. They accept the announcement of an election, **on the plantation**, for a new slavemaster, **on the plantation**, as an opportunity for advancement, as slaves, **on the plantation**. They have accepted slavery as a perverse-ordinance of life. They see it as natural. The notion that it is wholly unnatural to live under the spiritual, mental, social, political and economic domination of our absolute enemies has escaped them. Because it has escaped them, they have no desire to affect escape from the plantation and affect the destruction of the plantation any longer. They have accepted the position of perpetual slaves forced on them by the akyiwadefo, the spirits of disorder, the whites and their offspring, our absolute enemies.

Imagine slave-minded Afurakanu/Afuraitkaitnut walking around for weeks on the plantation wearing buttons representing their so-called candidate. Imagine the enslaved, on the plantation, in between being raped and beaten by the slavemaster, campaigning for the slavemaster’s wife, the slavemaster’s mulatto son or the slavemaster’s brother. Imagine the enslaved standing in line for hours, on the plantation, to cast a ballot for “change” as the slavemaster, his mulatto son, his wife and his brother, sit in the big house together amused, as they observe the enslaved dropping ballots in a box. Imagine the enslaved being stupid enough—**stupid enough**—to believe that the slavemaster is actually going to count the ballots that are cast. Imagine the enslaved being stupid enough to believe that the slavemaster who tortures them daily, who has imprisoned them for life, for generations past, present and desirably future, is someone to be trusted to count their votes, while at the same time the enslaved being stupid enough to believe that their votes have any value even if they were counted—although they will not be. Imagine the slave-minded Afurakanu/Afuraitkaitnut being warned by the intelligent Afurakanu/Afuraitkaitnut that their votes mean nothing, for the outcome of the pseudo-election, on the plantation, **was determined by the slavemaster the very day that he came up with the idea of having an election**. Imagine that once this truth is transmitted to the slave-minded Afurakanu/Afuraitkaitnut by the intelligent Afurakanu/Afuraitkaitnut, imagine the slave-minded rejecting this truth and encouraging other enslaved to stand in line and vote for “change” **on the plantation**. Imagine the slave-minded Afurakanu/Afuraitkaitnut believing that the slavemaster would never create such an election scheme to manipulate the enslaved. Imagine the enslaved being encouraged by the intelligent Afurakanu/Afuraitkaitnut that the only intelligent action for us on the plantation is to put all of our energy into destroying slavery and the enslaver, and imagine the enslaved rejecting this truth outright, in favor of believing that the slavemaster’s electoral process is designed to bring freedom and equality on the plantation. Imagine the slave-minded Afurakanu/Afuraitkaitnut on the plantation being stupid enough to believe that all they need to do is protest and hold the slavemaster “accountable”, **on the plantation**, in order to gain equality **on the plantation**, while rejecting the truth given to them by the intelligent Afurakanu/Afuraitkaitnut, that desiring equality on the plantation is a betrayal of their own self-hatred. The truth that the only way to hold the slavemaster accountable is through force, that the only accountability of any value is waging war against the whites and their offspring and eliminating them as a threat completely. Imagine the slave-minded being foolish enough to reject the truth of these statements in order to act out their deeply seated and deeply seeded fear of the whites and their offspring by praying that “god” shows them how the election is truly a divine intervention. Imagine the intelligent Afurakanu/Afuraitkaitnut demonstrating the reality that the Supreme Being, **Nyamewaa-Nyame**, the Great Mother and the Great Father, has no interest in the lies of the whites and their offspring at all, and no interest in their pseudo-electoral process. The Supreme Being is only interested in us and thus directs us to re-align with Divine Order, and only then will we receive the orderly infusion of consciousness and energy to affect our liberation and the destruction of the

whites and their offspring. Imagine the enslaved rejecting this reality in order to pray to the fake god forced on them by the white enslaver, imploring the fake-god to help their “candidate” “win” the election.

Imagine a contingent of the enslaved, who purported to be supporters of the liberation movement, being sucked into the idiocy of the plantation campaign, wearing buttons **on the plantation**, carrying banners, **on the plantation**, and foolishly seeking to rationalize their acquiescence to the slavemaster and the stupidity of the slave-minded Afurakanu/Afuraitkaitnut as a unique and ingenious “*strategy*” towards liberation. Imagine the intelligent, awakened Afurakanu/Afuraitkaitnut reminding such pseudo-nationalists that this so-called “*strategy*” they are employing was fashioned by the slavemaster for them before they were born and given to them when they became “of age”, for the slavemaster has always understood that a certain percentage of the pseudo-nationalists and the pseudo-revolutionaries have a deeply seated fear of the whites and their offspring and a perverse desire for white-acceptance and therefore seek a face-saving “*strategy*” that allows them to acquiesce to the slavemaster without appearing to have rejected the liberation movement. **It is therefore a forgone conclusion that whenever such a “strategy” is provided to such pseudo-nationalists and pseudo-revolutionaries by the slavemaster, such individuals will rush to embrace it without fail.** Imagine the pseudo-nationalist, the pseudo-revolutionary on the plantation decrying the truth of these statements, while he is standing in line, **on the plantation**, waiting to cast his ballot, **on the plantation**, for the slavemaster’s mulatto son, while the slavemaster’s mulatto son sits in the big house with his white father, his white father’s wife and white uncle, waiting for the pseudo-election to be over so that they can collect all of the ballots, throw them in the trash and announce the “winner” of the election to the enslaved masses—the “winner” who was actually pre-selected years in advance, to be the new slavemaster to take over the reigns of control on the plantation this year. Imagine the slavemaster’s mulatto son campaigning on the plantation, telling the enslaved that there are no blacks on the plantation, no whites on the plantation, but only “americans” on the plantation. That we should unite, black and white, as one people and one nation and work together. Afterwards he exits the field and goes back into the big house to repose with his white father, leaving the enslaved to their oppression, to beatings, rape, torture, forced-labor and early death. Imagine the slave-minded Afurakanu/Afuraitkaitnut cheering the announcement of the slavemaster’s mulatto son as the so-called winner.

Imagine the pseudo-nationalist and pseudo-spiritualist claiming that the ancestors of africa and the deities of africa have intervened in the so-called election. Imagine intelligent Afurakanu/Afuraitkaitnut informing these fools that the **Nananom Nsamanfo** and **Abosom**, the **Egungun** and **Orisha**, the **Kuvito** and **Vodou**, the **Mmuo** and **Arusi**, the Venerable Ancestresses and Ancestors of **Afuraka/Afuraitkait** and the Goddesses and Gods, the Spirit-Forces of Nature absolutely hate the whites and their offspring and will never intervene in the affairs of the plantation, until awakened Afurakanu/Afuraitkaitnut are ready to liberate—and that intervention will be one of revolution and resolution. Imagine the intelligent Afurakanu/Afuraitkaitnut showing the slave-minded the successful model of liberation that has been used by other Afurakanu/Afuraitkaitnut to free themselves from their enslavers in their lifetimes, the model that the intelligent Afurakanu/Afuraitkaitnut are employing as well which will lead to their success. The only model of freedom supported by the **Nananom Nsamanfo** and **Abosom**, the Ancestresses and Ancestors and the Goddesses and Gods. Imagine the slave-minded Afurakanu/Afuraitkaitnut rejecting the evidence of successful liberation movements because they have allowed the slavemaster to crush their innate propensity to be free from slavery. Imagine the intelligent Afurakanu/Afuraitkaitnut successfully freeing some of their group from the plantation, sending some back to Afuraka/Afuraitkait, while others remain behind to affect the complete destruction and eradication of the white slaver and slavery once and for all. Imagine the slave-

minded Afurakanu/Afuraitkaitnut recognizing the success of these liberation actions, yet opting to stand in line on the plantation and vote. Imagine the perpetuation of their enslavement sealed for another century, all according to the so-called slavemaster's plans. Imagine such a state of affairs on the plantation.

There is no need for imagination.

**america has never ceased being a plantation for Afurakanu/Afuraitkaitnut. It will not cease to be so until the so-called slavemaster is exterminated. Until this reality is consciously embraced by Afurakanu/Afuraitkaitnut the perpetuation of slavery will continue.**

The slave-minded Afurakanu/Afuraitkaitnut in america believe in the electoral process of the whites and their offspring because the slave-minded Afurakanu/Afuraitkaitnut in america never stopped worshipping the so-called slavemaster after having been conditioned to do so. They have faith in the whites and their offspring because of the enslavement of their adwene, their collective mind. They foolishly believe that "god" has intervened in this electoral season, because they have foolishly held onto the false notion of the divine given to them by the whites and their offspring. The slave-minded Afurakanu/Afuraitkaitnut hate themselves and therefore act against their own best-interests and the best-interests of all Afurakanu/Afuraitkaitnut at the behest of the whites and their offspring. This is their motivation for casting a ballot.

barack obama, the son of his white mother and the cousin of dick cheney is a willing agent of the whites and their offspring. The mulatto has always been deployed during and after enslavement to control the thinking of the enslaved masses of Afurakanu/Afuraitkaitnut. On the plantation he was sired to become the co-regent of the white plantation owner, his father. He was brought into being to serve the interests of the whites, while the Blacks would be conditioned to foolishly see him as a messianic figure who understood their suffering. The idiocy of this notion rests foundationally in the fact that there is no such thing as a messiah. There never has been and never will be. This corrupt philosophical weapon has been ingrained into the adwene, the mind, of enslaved Afurakanu/Afuraitkaitnut for centuries as a method of control. Just as the mulatto was produced on the plantation and used effectively as a slavemaster and de facto plantation owner to the detriment of all Blacks who remained on the plantation, so was barack obama brought into being, raised up and forced on Afurakanu/Afuraitkaitnut in america to perpetuate the enslavement of our adwene, our collective mind, and to stamp out any desire for true revolution-resolution, true liberation, Afurakani/Afuraitkaitnit self-governance and sovereignty.

The american government has bled what they consider the potential brain-trust of Afuraka/Afuraitkait for decades, heightening such activity before, during and after the independence movements on the continent. The dominant criminal empire always seeks to remove the young heirs to the throne of their vassal states, have them trained in the schools of the dominant criminal empire so that they may go back and rule their people under the guidance of the dominant criminal empire. The whites and their offspring in america funded the importation of young intellectuals from Kenya in order to train them up to be self-hating slaves, marry them off to white females in america and produce mulatto children who would grow up to be agents of their white benefactors and thus white world domination. barack obama sr. was one of these young Kenyan intellectuals. barack obama jr. is the product of this project. When john kennedy declared that a black man would be president in the next century, it was not a belief. It was the enunciation of a well-structured policy initiative. The kennedy family participated in the bleeding of the brain-trust of Afuraka/Afuraitkait decades ago. Today, the last of the kennedy brothers places his support behind the "black man" that john spoke about decades ago. His "black man"-as-president is barack obama. He was birthed and reared by his white mother

and shaped by zbignew brzezinski, to take a prominent position in the country, on this national plantation, and most importantly to illegally occupy a prominent position in the national adwene, the collective mind, of the Afurakanu/Afuraitkaitnut. His role is to perpetuate our spiritual, mental, social, political and economic enslavement and he does so enthusiastically—as all of our enemies do. As long as you are not self-governing, you are enslaved. Through obama, you will never seek to be self-governing, you will be lulled back into the coma which allows the true minority, the whites and their offspring, to perpetuate their rule over you.

The white world domination cult had its rearing in the western hemisphere through the perverse institution of slavery. The heirs to that legacy control the country with their mulatto offspring as principals.

The slave-minded Afurakanu/Afuraitkaitnut today, like their counterparts on the plantation of past generations will rationalize the “decision” to vote. They will foolishly say that their ancestors died for that right. **The awakened Afurakanu/Afuraitkaitnut will say that only the foolish amongst our relatives died for that fake-right**, while the **Nananom Nsamanfo**, our Honorable Ancestresses and Ancestors, **died while killing the white enemy**. They were among the millions, over the centuries who escaped from the plantations. They were among those who gave their lives to truly free their people and wage war against the whites. They were among those who established independent settlements, cities, villages, nations all over america which lasted throughout the era of physical enslavement. They are those **akofo**, warriors and warrioresses, that are never written about, for their trustory which is written in our spirits is the most powerful reminder to us that we have the capacity to free ourselves in our lifetimes.

The slave-minded pseudo-nationalist, who in past years intelligently articulated the manipulative nature of the electoral process, who articulated how the Black vote has never been counted, who articulated how foolish it is for Afurakanu/Afuraitkaitnut to stand in line believing, having a deep and abiding idiotic faith, that the whites and their offspring counted our votes as we cast ballots for senate races, congressional races, gubernatorial races, presidential races—this slave-minded pseudo-nationalist who in past years proved that the desire to vote our way to “equality” was merely a veil for the fear that the enslaved held for the slaver and a betrayal of their impotence in the face of that fear. This slave-minded, pseudo-nationalist, pseudo-revolutionary, has now revealed himself and herself. His eyes have glossed over, as he declares his support for obama. Her eyes have glossed over as she passes out bumper stickers, sends out emails, holds rallies for political organizing and “getting out the vote”. **The pseudo-nationalist, the pseudo-revolutionary, the so-called socialist has displayed his and her selective amnesia, couching his and her slave-minded behavior as a demonstration of that ingenious “strategy” which was actually given to them by the whites.**

The slave-minded so-called traditional african priests and priestesses, so-called traditional healers have lied on and continue to lie on the **Abosom**, the **Orisha**, the **Vodou**, the **Arusi**, the Goddesses and Gods, the Spirit-Forces of Nature. They have stated that the deities are with obama, that this is divine intervention. **Take note today of their false divinations which will come back to haunt them. They are no different than the fool at the mosque calling obama a messiah, the fool at the church calling obama a savior, the fool in the hebrew temple, the rasta temple, the hindu ashram, the black vedanta or buddhist temple, and the other pseudo-kemetic, pseudo-new-age, pseudo-spiritualist organizations in the Black community who seek a perverse pseudo-metaphysical explanation for the ascendancy of obama.**

**Nyamewaa and Nyame, Mawu and Lisa, Komosu and Chukwu, Katyeleo and Kolotyolo**, the Great Mother and the Great Father, the Supreme Being, the **Abosom**, the **Orisha**, the **Vodou**, **Arusi**, the children

of the Supreme Being, the **Nananom Nsamanfo**, the **Egungun**, the **Kuvito**, **Mmuo**, the Spiritually Cultivated Ancestresses and Ancestors of Afuraka/Afuraitkait, **do not support the lies, the schemes of the akyiwadefo. They do not support obama. They do not support the pseudo-electoral process of the akyiwadefo. They do not support our enemies. They do not support disorder. They are not dependent on working within the schemes of the akyiwadefo. They are not impotent. They have laid out a path of complete liberation for Afurakanu/Afuraitkaitnut. Those who followed that path during enslavement freed themselves in their lifetimes. Those who rejected that path remained on the plantations for centuries. The same is true today.**

**Awakened Afurakanu/Afuraitkaitnut are not messianic nationalists.** We are those who recognize our position, our condition, our trustory, our peoples' trustorical mistakes, the proper path that we must take, and have committed to taking that path, and are on that path. You may have been raised all of your life watching your parents, grandparents and other relatives develop diabetes, high-blood pressure and heart disease because of bad dietary decisions—because they obeyed the enemy instead of their own **okra**, their own soul, their own Divine Consciousness. Yet, at some point you listen to your **okra**, your **ori**, your soul, the Divine Consciousness dwelling within your spirit. You decide that you will reject their bad decisions and the bad dietary practices that have lead to our demise generation after generation. You will thus restore health. You may have been raised all of your life on a plantation watching your parents, grandparents and other relatives suffer and die under the domination of the whites and their offspring. At some point you listened to your **okra**, your **ori**, your soul, your Divine Consciousness. You decide that you will reject acquiescence to slavery and wage war against the white slaver. You may have been raised all of your life watching misguided nationalists and pseudo-revolutionaries stalemate themselves and our people through embracing the idiocy of operational unity, a pseudo-philosophical scheme fashioned by the whites and their offspring themselves, and given to mis-guided Afurakanu/Afuraitkaitnut to perpetuate our stagnation. At some point you listen to your **okra**, your **ori**, your soul, your Divine Consciousness. You decide that you will be uncompromising in your rejection and repudiation of the akyiwadefo, their culture and false-religions, **for the complete rejection of disorder is absolutely prerequisite for our alignment with Nyamewaa-Nyame.** Only adherence to **nokware**, to truth will birth our collective unity.

The slave-minded Afurakanu/Afuraitkaitnut, who desire to remain slave-minded will die slave-minded. The pseudo-revolutionary nationalist Afurakanu/Afuraitkaitnut who desire to perpetuate their foolish rationalizations will die pseudo-revolutionaries. The pseudo-spiritualist Afurakanu/Afuraitkaitnut who desire to pervert the truth of the **Abosom** and **Nananom Nsamanfo**, will die pseudo-spiritualists. But the sincere Afurakanu/Afuraitkaitnut, who desire to awaken, who aspire to fully realize their innate value, these Afurakanu/Afuraitkaitnut are no longer slaves, are not pseudo-revolutionary nationalists, are not pseudo-spiritualists, but are **akofo**, Afurakani warriors, Afuraitkaitnit warrioresses whose identity as such is literal and not figurative.

**Akofo**, the choice has never been more clear. niggas, nationalists and obama, have betrayed their desire to rationalize and perpetuate the slave-system and are poised to be consumed in the system. However, **Ahofadi**, Afurakani/Afuraitkaitnit Liberation, our Ancestrally inherited birthright, is on the horizon. Our time is now. We got next.

Me din de Kwesi Ra Nehem Ptah Akhan. Nne ye Maakheruda...”
